ORDER:

In the reference 1st read above, M/s.Srikalahasthi Pipes Limited, Rachagunneri, Srikalahasthi, Chittoor District have stated that due to ignorance they have imported the following Boilers without prior approval from the Government and the boiler has reached the factory, though they have all the IBR Documents in line with IBR Requirements duly inspected by TUV as per IBR Act. This is part of green initiatives of Srikalahasthi Pipes Limited to which it is committed and it is one of the unique features in the sector of industries. This initiative will result conservation of costly fuels (like LDO). The steam generated from Waste Heat Boilers at low pressure (max.10 bar) will be utilised for process steam requirement only.
